

“The children of today will make the India of tomorrow.”  
— Jawaharlal Nehru

Children's Day, celebrated annually across India on November 14, is both a tribute to Pandit Jawaharlal Nehru and an occasion to bring awareness to the rights and education of children.

At Share & Care, we demonstrate our commitment to helping children with programs that bring healthcare, gender equality, education, and other basic rights to kids and families in rural India.

And now, we're happy to share news about Share & Care Kids4Kids, an initiative hosted **for students by students** to help young people who need our help the most.
