

# Share and Care Foundation 2015 Impact Report

For **33 years**, Share and Care Foundation has been pursuing one mission:

## EMPOWERING RURAL INDIA

**861,833,257**  
people live in rural areas of India

**1 out of 4**  
live on less than **\$0.50** a day

**50%** of maternal deaths in India occur in rural areas.

Up to **40%** of students in rural areas drop out before reaching 8<sup>th</sup> grade

Women and tribal communities are the most deprived of healthcare, education, & equality

In 2015, Share and Care worked with **38 partner NGOs in India** to empower

**750** families with indoor toilets and sanitation & hygiene training.

**1,158** bright, low income students with loan-scholarships for degrees in the STEM fields.

**400** women with livelihood skills training, confidence building, and self-defense lessons.

**3,100** individuals with vaccinations, pre & postnatal care, health screenings, and preventative care education.

**526** at-risk and dropout students under 13 with a second chance to complete their education.
