

We truly could not do this without you.

As we embark upon another year of making an impact and empowering those in need in India, we want to begin by expressing our gratitude for your support. We could not do our work without your generous contributions and the gifts of your time, your talents, and your well-wishes. Read on for a word from our President, Saumil Parikh.

A Note From Our President

“I would like to take a moment to acknowledge our donors. During these challenging times, I am humbled by your support. Together we distributed more than \$2.9 million in aid last year. In addition to our ongoing projects, Share and Care worked quickly and urgently to help those in need during the pandemic. As we look to 2022, Share and Care will be needed more than ever. Together, we will continue to make a difference!”

— Saumil Parikh, President

We're looking forward to another year dedicated to serving others in need through our Signature Programs and continued disaster rehabilitation efforts. We hope you'll join us as

we lead with kindness and determination.
