

## You're Invited to Our Second Annual Make a Difference 5K Walk/Run!

Share & Care Foundation is hosting its second Make a Difference 5K Walk/Run on Saturday, June 15 in Ridgefield Park, New Jersey. Based on last year's tremendous success, with over \$70,000 raised and more than 300 participants ranging in age from one to 85, we have decided to make this an annual event.

Whether you want to compete for the top prize in the 5K, or get out and move with your friends and family in the 1K, we want to see you Saturday, June 15, 2019, for Share & Care Foundation's:

**I WANT TO HELP NOW WITH A DONATION**

**“Last year’s 5K was so much fun! It’s an event that everyone can easily participate in to help the impoverished in India.”**  
**— Share & Care Kids4Kids**

This family-friendly event is open to the broader community and uniquely designed to engage and educate younger generations. We aim to spread Share & Care’s message of hope, raise awareness for our Signature Programs, and provide an opportunity for families to join together on a humanitarian journey.

While raising children here, we as parents have come to realize that it is our duty to expose our children to philanthropy. We hope they learn the value of giving back when they have been given so much.

As Share & Care aims to engage younger generations, Share & Care Kids4Kids, our newly established student wing, will be playing a significant role in this year’s event. We hope you enable their efforts with your sponsorships or participation.
