

MOTHER'S DAY IS JUST AROUND THE CORNER

On May 12, celebrate your mom by making a donation in her name or in memory of a loved one.

At Share & Care, we're more than just words or pictures on a screen.

We're parents, grandparents, siblings, aunts, and uncles. We're people who care deeply about what we do and the beneficiaries we serve.

This Mother's Day, we encourage you to join our mission by making a donation in honor of your mother or another beloved family member or friend. Below, real-life mothers from our organization share how they feel about this heartfelt gift idea:

"In this materialistic society, I love the idea of gifting with donations in lieu of tangible gifts. I really want my children to understand how fortunate we are and how we can help other families improve their daily lives. Even small steps we take here can make a huge difference in someone else's life miles away."

— Amrita Master Dalal

Former Labor & Employment In-House Counsel

"I have suggested donations instead of gifts on several occasions and actually, it felt great. I feel so fortunate and blessed with all that I have that giving back on these special occasions just makes it even more joyous and memorable."
