

## CELEBRATE MOTHER'S DAY WITH A DONATION

### Your gift can make a world of difference for mothers in need.

Whether you're seeking the perfect Mother's Day gift for a special woman in your life, or you're a mom yourself, consider celebrating this special day with a donation to Share & Care. Our programs provide livelihood training for rural women, education for marginalized children, and healthcare for families in remote areas.

We asked Amrita Master Dalal, a member of our Women Empowerment Committee, about how it feels to be a mother helping other moms in need:

*"Becoming a mother has impacted my entire way of thinking. The struggles I faced as a working mother were very real and difficult. Even with all the advantages and support I had, the physical and emotional challenges drained me. But, from what I've seen women and children endure in marginalized communities in India, my struggles pale in comparison."*

*"The so-called 'first world problems' we have in America drive me more to help those still struggling with fulfilling their families' most*

*basic needs. I really want my children to understand how fortunate we are. Even small steps we take here can make a huge difference in someone else's life miles away."*
