

Hello Share & Care participants,

Tomorrow is the big day!

Thank you for committing to be a part of our second annual Make a Difference 5K Walk/Run to benefit marginalized women, children, and families in India.

The weather forecast looks warm and sunny, so we are preparing for a great day! (You can check the forecast [here](#).)

Below, please see a few final updates to help you make the most of this exciting event.

Registration & Check-In

Please allow plenty of time for parking and checking in. If you need to register on the day of the event, please allow an extra 30 minutes for generating a bib number.

Pre-registered participants will check in at registration table (located in front of the amphitheater).

Online registration is now closed but **on-site registration** for the 5K (and for the Kids 1K) will begin at 9:00 AM! On-site registration for adults is \$35. Please invite your friends and

family who haven't yet registered to participate! If they can't attend, please encourage them to donate to this worthy cause.

Race Day Reminders

Bring your ID. We'll need to see it for check-in.

Allow ample time. Plan for time to find parking, and for the check-in process.

Check the schedule. There haven't been any new changes in the past week, but in case you missed our previous email, please review the schedule to make sure you know your race start times:

Parking

There will be signs nearby to guide you to the event and through the parking lots. Please note: Because the event is in a central location, vehicles will have limited access to the main parking lot after 9:45 AM. Roads will be closed at 10:00 AM.

There are parking lots further away (a 10-minute walk), but please let your friends and family know to arrive earlier rather than later.

We also have [a map you can download](#) that shows the event parking areas, the track, water stations, and start and finish lines.

Here's the address again, and a link to Google Maps. And remember we also have all of this information [on our website](#).
