

# MAKE A DIFFERENCE FOR CHILDREN IN RURAL INDIA

Support our Kids4Kids committee program during National Make a Difference for Children Month!

HELP A CHILD TODAY

The **Kids4Kids Committee (K4K)** is a group of more than 65 hard-working students between the ages of 13 and 18 who are passionate about making a difference and supporting their fellow children in pursuit of education. K4K has continuously invested in the success of underprivileged students in India via our Educate 2 Success (E2S) Signature Program. E2S supports students from remote villages as they re-enroll in school and complete their education after dropping out.

The committee routinely fundraises online through their social media channels. Click the icons to the right to follow us.

In February, Kids4Kids organized a Super Bowl 50-50 raffle in which **half of the prize**

pool was donated to educational efforts in rural India.

In April, the committee hosted a fundraising dinner at Chipotle, during which **33% of all sales were given to support students in India.**

Aarav Gandhi, a K4K member pictured here, created an impactful art piece called *Money Hungry* to represent economic disparities between different types of people. His piece was **selected for a National Medal from the Scholastic Art and Writing Awards.**

The Kids4Kids Committee will be launching an exciting signature event for participants of all ages. Stay tuned for details later this summer!

This July, in honor of Make a Difference for Children Month, we invite you to **join the inspiring Kids4Kids team as they work to give students in rural India the tools and opportunities they deserve.**

**“A child without an education is like a bird without wings.”**
