**RELIVE THE EXPERIENCE:  
SUNDAY, AUGUST 15, 8:00 PM ET**

**Our Pandemic Relief & Recovery Fundraiser was a huge success, raising \$800,000 thanks to the generous support of patrons like you.**

We are so grateful for the outpouring of support as well as the resounding positive feedback we've received for our Pandemic Relief & Recovery Fundraiser. When we set out to host this unique and inspiring show, we had four goals in mind:

- Create an event to thank and acknowledge our donors for their support over these last 15 months
- Raise funds and gather resources for future COVID relief efforts in India
- Provide light entertainment, as times have been difficult and our hearts have been heavy since early 2020
- Offer a glimpse into our projects, bringing them alive and creating awareness around the good work being accomplished

We are pleased to report that our efforts were successful across the board! Thanks to the generosity of our patrons, we have secured **\$800,000 in donations and pledges** to support our Signature Programs and relief efforts. Between two showings, we estimate that **800 people tuned in** to the virtual premiere show. We were able to present our work across different locations from Jharkhand to Uttar Pradesh and Rajasthan to Maharashtra, not to mention work being done in a dozen other states in India as well as within the U.S.

We have been working hard to recruit younger members to our cause to ensure they carry on the fine work of our foundation. ***To our delight, our program received a bonus helping hand from Padma Shri Kailash Kher and Indian Premier League cricket player Jaydev Unadkat.*** It is our hope that these new humanitarian champions will help us attract even more young people to our cause.

We've received so much praise for the program — that it exceeded all expectations. And while the program was in Gujarati, many who have written in with their compliments do not speak the language. This overwhelming praise for the event, despite differences in language, makes it clear that the ability to communicate and connect transcends the spoken word.

This program also gave us opportunities for growth, and we saw that even the newest technology is not foolproof, as some of our patrons faced difficulty in accessing the event. Even though we were thrilled with the pledges from the first viewing, we were dismayed that not everyone was able to join. Therefore, we went back to work and convinced the producer and director of the show to replay it. On July 24, the second viewing went off without a hitch.

## Relive the Experience

We are pleased to inform you that the program will be airing again on **Sunday, August 15, 2021 at 8:00 pm ET** on ITV, TVAsia, and World BB TV. Experience India's magnificent Rann of Kutchh and enjoy the soulful music and dances of Gujarat.

"I viewed the Share & Care program yesterday and I am impressed by what your group is doing. You have an ambitious goal, and all of you need to be complimented. The goal needs to identify many more large donors. Best wishes."

— Francis Jeyaraj

"I watched the virtual presentation of the show Reflections of Kutchh by a highly

talented group of singers like Parthiv Gohil, Jhanvi Shrimankar, and Manasi Gohil with their live band. It was so awesome. The video depicted the eye-pleasing White Rann in the moonlight. This was a gift to the fashion designers of the show. It was indeed a well-crafted and well-conceived show. It brought the native poetry of the Land of Kutchh. I recall what Amitabh Bachhan said once.. 'Jisne Kutchh Nahi dekha..usne kuchh nahi dekha.' I admire your team at Share & Care Foundation for sponsoring this show. Kudos!"

— Dr. Rajni P. Shah

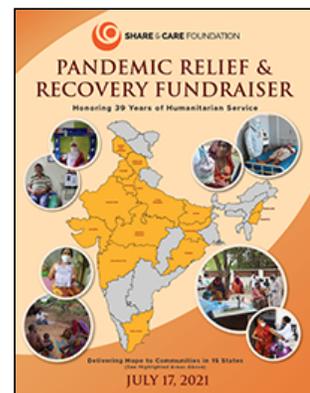

"Program was great. Lots of Kutchh art and music and 'loksangeet.' Enjoyed!"

— Mahesh Muchhala
