

**TOGETHER,
WE CAN ERASE INEQUALITY**

Thank you for making a difference.

Hello friends,

Across the world, the first Sunday in August is widely recognized as a day of friendship. To honor the occasion, we felt compelled to contact you with an important message:

Thank you.

For nearly four decades, we've provided lifesaving opportunities and resources for India's poorest communities. We've helped at-risk students complete their education. We've provided young mothers and children with critical healthcare. We've given marginalized women a fighting chance to support themselves and their families.

We're erasing inequality, one family at a time — and we know that none of it would be possible without YOU.

Whether you're new to the Share & Care community or you've been with us throughout our 37-year history, please know that we deeply appreciate your support. By volunteering, donating to our programs, or spreading the word about our mission on [social media](#), you are helping us make a positive, lasting difference for our fellow humans.
