

# CHANGING LIVES THROUGH EDUCATION

## Provide Opportunities to Those Most in Need This National Nonprofit Day

Today marks National Nonprofit Day, a day celebrating the incredible work of charitable organizations and the contributors who support them. Help us honor this day — read on to meet Ankita, a deserving Share & Care beneficiary whose life was changed through donors like you!

Ankita Waghmare, a brilliant student, was born into a tribal community and a home environment that was not conducive to her education. Despite these circumstances, with support from the Share & Care Educate 2 Success (E2S) Signature Program, **Ankita was able to complete her secondary education with high marks, pursue higher education, and become a police constable, earning a handsome salary.**

*“With support from the Share & Care Foundation, I was able to develop my personality and get exposure through various activities. I was also financially supported to study and given guidance from time to time. My parents were not supportive of my education, but the LOLT team convinced them to send me to Amravati city for a better future. I am eternally grateful to be a part of the SCF family.”*

— Ankita Waghmare, Share & Care beneficiary

To date, our E2S Signature Program has **helped more than 1,700 students successfully complete their schooling through partnership with NGO Light of Life Trust**. E2S alumni like Ankita have become torch bearers in their communities, showing others the path to achieving what they once thought to be impossible.

**This National Nonprofit Day, we encourage you to join us by becoming a torch bearer**, creating a brighter future for India's underserved youth. Your tax-deductible gift will truly make a difference for students like Ankita.
