

## INTERNATIONAL LITERACY DAY

### **Will you support our mission to provide more ambitious students with the education they deserve?**

At Share & Care, we provide sustainable educational opportunities for young, at-risk students and ambitious college-age scholars through our Educate to Success and Educate to Graduate Signature Programs. To date, these programs have helped **2,200 individuals** from marginalized communities escape the cycles of illiteracy and poverty that have afflicted their families for generations.

If you believe every child deserves access to a basic education, please join us in celebrating International Literacy Day with a contribution to our life-changing programs.

*Our partner NGO provided direct help to several E2G students whose families lost their work due to the pandemic. The families received two months' worth of essential groceries for their sustenance, and we at Share & Care fully supported this urgent assistance. We stand ready to extend further help as needed.*
