

## Join us in creating a more peaceful world.

Today is the International Day of Peace, an annual occasion devoted to strengthening peace among all nations and peoples.

At Share & Care, we're committed to creating a more peaceful world by bringing education, healthcare, and women empowerment to some of the most underserved regions across the globe.

Our Educate 2 Success Signature Program, for instance, helps at-risk children to stay in school and complete their education, allowing them to fulfill their potential and give back to their communities.

*"Only because of Share & Care Foundation, I can see myself as a successful person in life. This organization helps support underprivileged children like me. I have learnt many things and I am confident that I will become someone in my future life."*

— Sanjana Sandip Kembale, an E2S beneficiary

Join us in honoring the International Day of Peace with a

gift to help needy children get the education they deserve.
