

The Kids4Kids Scavenger Hunt was a blast!

On Saturday, September 17th, the Share & Care Kids4Kids team organized a Scavenger Hunt for people of all ages! Participants had a great time searching for clues, making friends, and winning prizes in the Hollywood- and Bollywood-themed hunts, all while raising critical funds and awareness for children's education in rural India.

The Kids4Kids team, a hardworking group of students ages 12-18, was able to meet their fundraising goal for the hunt. With the help of enthusiastic donors, supporters, and community members, **they raised a total of \$10,000 during this event. A generous donor had also offered to match the event's proceeds up to \$10,000, bringing the total funds raised to \$20,000!** These funds will be used to support Share & Care's Educate 2 Success program, which provides help to brilliant but underserved scholars living in rural India, giving them the opportunity to thrive academically and build a brighter future for themselves and their families.

Attendees enjoyed looking for clues, winning prizes, and enjoying delicious themed cake!

The K4K team extends its sincerest gratitude to everyone who attended the event, donated, or contributed in any way! The Scavenger Hunt was the team's First Annual Summer Event, and it would not have been so successful without the generous support of the Share & Care community. Thank you!
