Our Virtual Gala is nearly here! We hope you will join us for an evening of music, hope, and positivity.

Access to this premier event is available with a minimum donation of \$200. See details and FAQs below.

As we near our 38th Annual Gala, we extend our gratitude to the volunteers and patrons who have helped us to continue our lifesaving programs despite unprecedented challenges within our own communities.

With your support, **we have raised half a million dollars so far this year!** (This includes \$100,000 worth of saris which were donated during our Sari Drive to benefit underprivileged women in India.) We are truly honored that you have continued to include us in your charitable giving.

However, we have not yet reached our 2020 goal.

If you would like to make a last-minute donation to attend our Virtual Gala on October 10 (minimum \$200), **we invite you to contact [one of our volunteers](#) to see how you can send a gift** — and make a difference — today. If you prefer to donate online, **click below**

and do so before Friday at midnight to get your access code.

We are committed to uplifting the neediest members of our global family. Please open your heart toward our mission and join us in this humanitarian cause.

Planning to tune in on Saturday? See our FAQs below.

How do I get an access code to the Annual Gala?

Attendance to this premier event is open to supporters who donate \$200 or more. We will reach out to eligible donors with a single-use access code and link, which will grant exclusive access to the October 10 event.

How do I watch the Annual Gala?

On the day of the gala, click the link from your email and enter your unique access code. You will be brought to a page that will allow you to view the video stream.

Can I share my access code?

Members of the same household, on the same wi-fi network, may use the same code on multiple devices. However, if you share your access code with those outside of your household and they join before you do, you may not be able to watch the Annual Gala.

If I have multiple codes, can I share them?

Yes! However, keep in mind the "one wi-fi network per access code" rule. Please remember to reserve one code for yourself and your own household — then, you may distribute additional codes to friends and family in other households or on other wi-fi networks.

What if my computer crashes? Or I have to leave for a few minutes? Can I get back in?

Yes. As long as you are on the same wi-fi network, you would be able to re-use your access code.

What device(s) can I use to watch the event?

You can view the event through any web browser on your desktop, laptop, tablet, or mobile device. For the best experience, we recommend having a strong internet connection and using the Google Chrome browser.

If you need further assistance accessing the gala, please contact us at support@shareandcare.org or (609) 718-7065 after 5:00 PM Eastern on October 10.

We invite you to visit our site to learn more about what to expect during this one-of-a-kind premier event. Thank you for your ongoing support of our mission and lifesaving programs.
