

## HELP US BRING LIGHT TO INDIA

### **This Diwali, light a lamp of hope for those in need.**

During this season of giving, we humbly ask you to keep in mind the millions of people around the globe who live without access to healthcare, gender equality, education, and other basic human rights.

This Diwali, consider making a contribution that will light a lamp of hope for someone in need.

With a donation to our Signature Programs, you can deliver education resources to underprivileged yet deserving students, healthcare to families in remote villages, or gender equality training to marginalized girls and women.

***"After getting agriculture training [through Share & Care], I started to think about how to end our poverty and I started to believe that I could change my life. I decided to put into practice what I had learned. As my long-term plan, I see agriculture as a business to attain better life. I will be happy to see such transformation in each and***

*every woman in my village."*

— Basanti Devi
