

LEAD WITH LIGHT

We wish you a happy Diwali and Children's Day. This year, celebrate the holidays by giving love and hope.

India has become second to the U.S. in reported COVID-19 cases and deaths. However, unlike in the U.S., people in India have less access to healthcare, education, and other fundamental human rights to combat these challenging times.

We ask that you **make a difference during your Diwali and Children's Day celebrations** this year by making a gift to help our beneficiaries in India. Your donation can provide medical and educational resources for communities that are suffering severely during these times.

Diwali is a time to illuminate our hearts and shine the light of joy and peace. We gathered artwork from youth in Share & Care programs at Sabarmati Gandhi Ashram. The students were asked to illustrate their feelings about the pandemic and the theme of "Rising Together." Their art represents hope for the world's future.

During this celebration of lights,
we ask for you to be a beacon of hope.
