OUR 41ST ANNUAL GALA

We are proud to report the success of our gala fundraiser, “Harmony for Humanity: Uniting Generations in Service” on November 4th at Bergen County Academies Auditorium. This successful night of caring and celebration brought our **2023 year-to-date fundraising total to an incredible \$1.1 million!** We could not have done it without the support of our members, all of our Gala Committee volunteers, Committee Chair Manoj Desai, Souvenir Book lead Asha Dalal and Tejal Parekh, the behind-the-scenes work of our management committee — Suresh Patel, Treasurer; Saumil Parikh, President; and Aditi Vyas, Board of Trustees Secretary. **We thank you for sharing in this huge success!**

Featuring a rousing musical performance by Samir & Dipalee, India’s favorite singing couple, and speeches from all generations of Share & Care members, the evening felt more like a reunion of friends and family than a charity gala. The compassion and joy of our more than 650 attendees was palpable in the auditorium. **See a video that was enjoyed at the event as well as select photos!**

This year, for the first time, our gala featured **four generations of active volunteers, ranging from our Share & Care founders down to our youngest members**. The night honored our legacy creating opportunities for economically disadvantaged individuals across India. This legacy has inspired a new generation of volunteers, ready to take the baton and adapt to the challenges of the next 40 years of service. Together, we believe in our ability to create a brighter future, uniting to bring harmony and hope in times of discord.

We sincerely thank all of our generous donors and supporters who made this event, and the impactful work of these last four decades, possible. We would not be celebrating this milestone without you.

If you missed out on this incredible evening but would still like to contribute to our impact, we humbly encourage you to make a donation. Each gift is so greatly appreciated and has the power to change lives
