

YOUR YEAR-END GIFT WILL BE MATCHED

This holiday season, double your impact.

December 3 is Giving Tuesday, a global holiday that kicks off the year-end season of charitable giving. On this day, people around the world contribute to causes close to their hearts — which makes this occasion especially important to us at Share & Care.

This holiday season, we humbly request that you consider donating to our programs to deliver healthcare, education, and gender equality to India's most neglected and marginalized individuals.

Please note: All contributions we receive through the end of 2019 (up to \$20,000 total) will be matched by one of our generous donors.

Your tax-deductible gift will be distributed across our four Signature Programs. If you'd like, you can even make a contribution in honor or memory of a loved one. Simply click below to get started.
