

CREATE A BRIGHTER NEW YEAR FOR THE PEOPLE WE SERVE

There's still time in 2020 to make a tax-deductible gift that will shine a light of hope on struggling communities.

We're proud of the work we've done in 2020 — a year unlike any other — and are truly grateful for the support of generous donors like you who make our programs in support of struggling communities and individuals during these challenging times possible.

We're proud — and we're determined — to create a brighter new year for the people we serve, we're on a mission to raise \$100,000 by December 31.

We're nearly there!

If you haven't yet sent your tax-deductible gift, we humbly encourage you to do so before December 31.

Our most recent work stateside is working with the Lions Club to bring emergency food distribution to towns throughout New Jersey. Similar to our extensive COVID-19 work in India, this project addresses issues many of us are facing right now: lost jobs, closed businesses, slow economic recovery, and dwindling stimulus infusions. *Learn more about this project below.*

So far, we've raised \$66,000 toward our \$100,000 milestone — and there's still time to give.

New Jersey Emergency Food Distribution

Long lines in Roselle, NJ.

In partnership with the local Lions Club out of Livingston, NJ, we are participating in free food box distribution in several New Jersey communities that are dealing with food insecurities and economic instability due to the pandemic. The program provides fresh foods, including vegetables, dairy products, and proteins.

Share & Care Foundation and Lions Club International share a mission to react to natural disasters by providing communities with immediate needs as well as recovery efforts.

This season, we've helped bring much-needed food supplies to families in Roselle, Paterson, Jersey City, Harrison, and Trenton.
