

## There's still time in 2019 to send a tax-deductible gift.

Today, millions of people in India live without access to life's basic necessities for survival, safety, and well-being. It is an unfortunate reality, but we're committed to changing it.

That's why **we've set a goal to raise \$100,000 by December 31** to bring education, healthcare, and gender equality to society's most individuals.

So far, **we've raised \$70,000 toward this milestone** — and there's still time in 2019 to make a tax-deductible donation to help us reach our year-end goal!

*End the year on a positive note. Turn your compassion into action. **Send a gift. Save a life.***
