## Building A Brighter Future – Together

As 2021 winds down and we reflect upon all the work we have done, we are so proud of our accomplishments, and we are incredibly grateful for the generous support of donors like you. Together, we are building a brighter future for people in need in India — people like Yashvi Khetiya (pictured).

We recently received dozens of thank you letters from Educate 2 Success beneficiaries, including Yashvi's. Each letter expressed their gratitude to Share and Care and all of the donors who make our work possible. Donations not only immediately support beneficiaries like Yashvi, but they have a compounding effect for generations to come. **Your generosity allows recipients to dream bigger, reach for more than they thought possible, and create lasting change in their lives.** We join them in sincerely thanking you for your support.

## Send A Tax-Deductible Gift

If you haven't yet sent your tax-deductible gift, we humbly encourage you to do so before December 31. Your donation will create real, sustainable change for people in need in India. Each gift helps build a brighter future and is greatly appreciated.
