

Join us virtually on Saturday, May 8 at 8:00 PM Eastern for *Reflections of Kutchh by Gujarati Jalso* – a FREE musical event!

Over the past year, as many have been physically distanced from special people and places, some have also found themselves separated from the traditions that mean so much to them. That is why we are pleased to announce this **FREE** celebration to connect the U.S. and India and to raise our collective spirits through cultural and social entertainment.

Through this musical and theatrical virtual experience, we hope to bring our projects — and your homeland — to you, in the safety and comfort of your own home.
