

HONORING NURTURERS THIS MOTHER'S DAY

On May 8, celebrate mothers and all nurturers by making a donation in their honor.

As Mother's Day approaches, we at Share & Care have been reflecting on the many women who tirelessly contribute to our programs, committees, and fundraising efforts. Women of all ages who make our humanitarian work possible. Whether mothers or caregivers themselves, these women are nurturers, ensuring that our beneficiaries and the systems that support them are cared for and tended to. Our Signature Programs reach girls and women in all facets and stages of life, meeting needs such as education, skill training, preventative health care, self defense training, preventing abuse, financial independence, and more:

***Building a Generation of Leaders
Women Empowerment and Educate 2 Success***

***Becoming Caregivers
Healthcare 2 Unreached***

***Keeping Students in School
Educate 2 Success***

***Making Independent Living Possible Through College Scholarships
Educate 2 Graduate***

***Breaking Down Barriers to Gender Equality
Women Empowerment***

***Training Women in Our Villages
Village Upliftment***

Mothers and children, teachers, caregivers, trainers, scholars, visionaries — as you prepare for Mother's Day, we encourage you to consider celebrating these women and those nurturers in your life by making a donation in their honor. No gift is too small, and each one can spread their caring nature across the globe.
