

“Yatra naryasthu pujanya ramante tatra devatha.”

“Where women are honored and empowered, there the gods are pleased.”

We believe every woman is unique and powerful in her own right, and this forms the core of the mission of our Women Empowerment (WE) Committee. The committee consists of many such great women with experience working closely with NGOs in India to support marginalized women by:

- Imparting education and vocational skills
- Teaching self-defense and financial independence to protect dignity, integrity, and autonomy
- Improving general and maternal health by bringing sustainable change for individual women, their families, and their communities — now and for future generations

Every success story is an inspiration which motivates us to do more for the betterment of women. With each other's support, there is no limit to what we can accomplish.

“Nāsti māṛsamā chāyā nāsti māṛsamā gatiḥ, nāsti māṛsamaṃ trāṇaṃ nāsti māṛsamā prapāand.”

“There is no shadow, no shelter, no protector like a mother. There is no life giver in this world like a mother.”

On behalf of Share & Care's WE Committee, we wish all the wonderful mothers and grandmothers, who are masters of multitasking and striving hard to empower others, a

very happy Mother's Day.

— Sindhu Mittadoddi, WE Committee Co-Chair
