Support K4K for National Make a Difference to Children Month

July is National Make A Difference to Children Month and we are reaching out with a special request. We need your help to continue making a real difference in the lives of tomorrow's leaders. Our Kids4Kids team is dedicated to making a difference for other children through action.

OUR IMPACT: SUMMER 2023

Eight dedicated Kids4Kids members from the Share & Care Foundation traveled to Worli, India. Over two weeks, they taught fifty students at the **Light of Life Trust (LOLT)** invaluable computer science and art skills. From mastering Google Docs and Microsoft Word to exploring their creativity through various art forms, these children experienced the joy of learning and self-expression.

SUPPORT NEEDED: SUMMER 2024

Building on last year's success, we are excited to expand our program this summer with two trips this year. In July and August, our dedicated volunteers will pay their own way to visit LOLT again, teaching students aged 12-18 essential computer tools, helping them discover new art techniques, and nurturing the real-life skills needed to build success. But we can't provide these vital programs without you!

How You Can Make a Difference
Your generous donation can

help us provide the resources and support needed to expand our programs and reach even more children.

Any contribution can help supplement extra curricular activities or cover digital education fees, but a donation of just \$130 supports one child for a full year!

By donating, you are directly contributing to the education and development of these children, giving them the tools they need to build a brighter future. You are also investing in the lives of our Kids4Kids volunteers, showing them that they have the power to be the change they want to see in the world.

EVERY DONATION MAKES A DIFFERENCE TO CHILDREN

Thank you for your kindness and generosity. Together, we can make a profound impact and help these children reach their full potential.

With gratitude,

The Kids4Kids Committee of Share & Care Foundation

P.S. Do you know a young person ages 12–18 interested in volunteering with Kids4Kids? Reach out to forrhea08@gmail.com and shabrimitta@gmail.com for details on getting involved in our 2024–2025 program!
