

## CELEBRATING FRIENDSHIP AND LEARNING WITH SHARE & CARE FOUNDATION

### HAPPY INTERNATIONAL DAY OF FRIENDSHIP WITH THE KIDS4KIDS TEAM!

In the spirit of promoting peace and unity through the bonds of friendship across cultures and borders, we're thrilled to share highlights from our recent **Kids4Kids Team** who visited the LOLT program in India, a testament to the power of friendship and learning.

### Building Bridges Through Learning

Our internship program aims to support education and intercultural exchange. With excitement and support from our community, our interns recently visited India, bridging gaps and fostering friendships with young LOLT students.

During their visit, interns and students engaged in interactive Kahoot quizzes and hands-on activities, enriching their learning experience.

### Hear from Participants:

“ I enjoyed learning all of the Google applications such as Google Sheets and Google Documents. I learned two new games as well — hangman and making origami fortune tellers.

— Vikrant, LOLT Student

“ I found it nice when you came. I enjoyed learning new things. I enjoyed the games.

— Sanjana, LOLT Student

### Friendship at the Heart of Kids4Kids

On this special day, we're reminded that friendship knows no bounds. Our Kids4Kids initiative thrives on these heartfelt connections, proving that together, we can achieve more.

Thank you for your continuing support in fostering a world where every child thrives through friendship and learning.
