GIVING TUESDAY

As we approach Thanksgiving, we at Share & Care want to express our deepest gratitude for your unwavering support in our mission to empower rural India. Your commitment has helped transform countless lives through education, healthcare, and women's empowerment initiatives across 15 states in India.

Giving Tuesday is a Week Away

With Giving Tuesday (December 3) just around the corner, we're reaching out with a special announcement. **We've set an ambitious end-of-year goal of \$200,000** to further expand our impact in 2024. Our dedicated Kids4Kids program has already made significant strides toward this goal, demonstrating the power of collective giving.

We're thrilled to announce that Share & Care is **matching contributions** this Giving Tuesday thanks to the generosity of Nimish & Sejal Doshi (**\$10,000**) and two anonymous donors (**\$10,000**). This brings a total matching opportunity of up to **\$20,000** to double your impact!

As you gather with loved ones this Thanksgiving, please know your support has helped create positive change for thousands of families in rural India. Consider making Giving Tuesday even more meaningful by contributing to our mission of sustainable change.

From our Share & Care family to yours, we wish you a joyful and blessed Thanksgiving.

P.S. Mark your calendar for **Giving Tuesday, December 3**, and help us reach our **\$200,000** goal!
