

As the holiday season surrounds us with warmth and giving, we're excited to share some fantastic news: **your gift will go twice as far!**

Thanks to the incredible generosity of Nimish and Sejal Doshi and two anonymous donors, **every gift to Share & Care will be matched up to \$20,000**. This means your donation will have double the power to transform lives across rural India.

Your matched contribution will help:

- Provide quality education to bright young minds
- Ensure healthcare access for vulnerable communities
- Create economic opportunities for women

The spirit of giving shines brightest when we come together to help others. As you celebrate this holiday season, consider making a tax-deductible gift that will be doubled.

Every gift, no matter the size, makes a difference — and now, it makes twice the difference! Join us in spreading hope and transformation this holiday season.
