This Valentine's Day, Help Us Spread Love Beyond Borders

This Valentine's Day, we invite you to celebrate the power of love, care, and education through the heartwarming story of 13-year-old Zalak, one of our inspiring beneficiaries from the village of Chadotar.

During a recent visit to the villages of Palanpur and Chadotar, members of the Share & Care team — Dr. Ketki Shah, Women Empowerment Chair, and Sharad Shah, Trustee — came across a family facing immeasurable heartbreak and hardship. Zalak and her three younger sisters are bravely navigating life alongside their father, an auto driver, after the devastating loss

of their mother to cancer. Despite the sorrow reflected in her eyes, Zalak greets everyone with a heartwarming smile and an unyielding spirit.

Nurturing Bright Futures

Recognizing her potential amidst the family's struggles, Zalak was granted the opportunity to attend Parikshitlal Ashramshala, thanks to the generous support of Share & Care. Since her mid-term admission, she has made it her home and is thriving both academically and personally in her school's nurturing environment.

Zalak's journey is a testament to both resilience and education's transformative power. Every story like hers reminds us that with a bit of love and care, we can make a significant difference in the lives of those who need it most.
