

# Generosity in Action on National Nonprofit Day

Today, National Nonprofit Day, is a powerful reminder of what we can achieve when compassion, dedication, and community come together. For more than four decades, Share & Care has brought together volunteers and supporters who share a singular vision: making a meaningful difference, one life at a time. **Hear from some of our impactful members and Trustees as they reflect on our story.**

---

**Our Origins: Guided by Generosity**

Share & Care began its journey in 1982 with a small but passionate group of volunteers. Their work started with projects such as the student sponsorship program and clothing drives — efforts to provide practical support and opportunity to those in need. Many of our founding members were inspired by personal stories of being uplifted by others' generosity, fueling a lifelong commitment to give back.

“

The joy of giving and seeing the results of our work kept me going with enthusiasm. If even one person graduates, if even one woman feels empowered, not only does it change the life of the family, but it also uplifts the community – and that makes it all worth it.

– Dr. Lila Shah, Founding Member

## Growth Through Commitment & Connection

The organization's heart has always been its people. Volunteers stepped into multiple roles: organizing projects, managing administrative duties, and visiting beneficiaries and project sites firsthand. Leadership roles have rotated among those eager to serve, ensuring that every voice contributes to our mission.

“

Roles will change with the new trends in the world, but passion leaves a lasting legacy.

– Sharadkumar, Board of Trustees - Chair & Ketki Shah, Women Empowerment Chair

## Evolving to Meet Changing Needs

Over the years, our project portfolio has broadened to include signature initiatives with a lasting impact. The successes of each project are measured by the impact they have, with every effort made to maximize results.

“

We evaluate projects very carefully for their impact, keeping a close watch on cost-effectiveness, making suggestions to improve the results of every project.

– Dr. Lila Shah, Founding Member

## Values We're Proud Of As We Look to the Future

As we have grown from a small group into a large foundation, the “spirit and ethos” of Share & Care remain unchanged: wholehearted involvement, respect for every participant, and the relentless pursuit of meaningful change. Even as leadership passes from one generation to the next, the guidance remains clear.

“

Share & Care has been like a child to us. As new generations join, I wish them continued success, hoping they give from the heart and experience the joy of uplifting others.

– Asha Dalal, Founding Member

GET INVOLVED

## Inspiration for Tomorrow

Our aspirations are bold: to continue our existing programs, launch new efforts that benefit society, and always keep impact at the forefront. Inspired by our team Kids4Kids's leadership and early engagement, we're committed to

nurturing their efforts—because when young people start giving back now, the impact lasts a lifetime.

**The wish of our longtime members of many years is that the next generation of Share & Care supporters is encouraged to pursue each new challenge with courage, patience, and zeal, knowing that the spirit of giving is both tremendous and enduring.**

Thank you for being part of our story. On this National Nonprofit Day, together, we celebrate the spirit of service that drives our mission forward and touches so many lives.

**HONOR THE SPIRIT OF SERVICE WITH A GIFT**
