

HOLIDAY GIVING

Transform Lives with Share & Care

As the holiday season wraps us in warmth and joy, we at the Share & Care Foundation are filled with gratitude for your unwavering support. This year, as we celebrate the spirit of giving, we invite you to join us in delivering life-changing gifts to underprivileged communities in India—gifts of hope, opportunity, and dignity.

Here at Share & Care, we believe it's our social responsibility to create a more equal world where everyone has access to education, healthcare, and gender equality. With your support, we can continue to make this vision a reality, one life at a time.

Help Us Reach Our Goal!

We're on a mission this holiday season and we're close to meeting our year-end goal of \$250,000 raised. As of today, we've already reached \$185,000. Help us reach our goal!

Giving the Gift of Empowerment Across Our Pillars of Change

Our work is built on key pillars that address the most pressing needs of marginalized communities in India. Each contribution you make directly transforms lives through our Signature Programs. Here's how your generosity creates a ripple effect of change:

Education: Unlocking Futures

Through programs like Educate 2 Success (E2S) and Educate 2 Graduate (E2G), your support helps middle schoolers at risk of dropping out stay in school and offers STEM scholarships to talented college students. A donation to education is a gift of knowledge—it equips a young mind with the tools to break the cycle of poverty and build a brighter future. Imagine the joy of a child receiving the chance to learn, dream, and achieve because of your kindness this holiday season.

Healthcare: Healing Communities

With Healthcare 2 Unreached (H2U), we improve access to quality healthcare, provide preventative screenings, and deliver crucial health education to those who need it most. Your gift to healthcare means a family in a remote village can receive life-saving medical care or a mother can access screenings that protect her well-being. This holiday, your support can be the difference between despair and hope for someone in need of healing.

Gender Equality: Empowering Women

Under our Women Empowerment (WE) program, we combat gender inequality by promoting education, self-defense, and financial independence. A contribution here gifts a woman the power to stand tall, support her family, and inspire her community. Your holiday donation can help a young woman learn skills to become self-reliant, ensuring she faces the world with confidence and pride.
