

Real Stories, Proven Results

Voices of Strength and Success

We are excited to share an early digital preview of our Spring 2026 Newsletter. While some of you may receive a physical copy in your mailbox soon, we wanted to make sure our entire community could share in these stories of strength and success in the days leading up to Mother's Day weekend.

Inside this issue, you will see how your support empowers women and children to rise out of poverty. Because of you, these stories all came true.

- **From Silence to Strength**

Read about **Yaami Saika** from Kashmir. Once “invisible” and unable to speak up, she is now a **Chief Coordinator**, mentoring other young girls to find their own light.

- **Grit & Success**

Discover how **Mayur Rakeshbhai** overcame academic setbacks to become a software engineer **earning 20 times his father’s income**. He credits his journey to his parents’ toil and an E2G scholarship.

- **Healthcare for the Unreached**

Learn how we are **treating anemia in tribal areas for just \$1 per person** — a life-changing solution for mothers and children.

Share With the Community

We hope these stories reach everyone. If you are not yet on our physical mailing list and would like to receive our printed newsletters at home in the future, please email your address to info@shareandcare.org.
