MAKE a DIFFERENCE to CHILDREN

July marks **National Make a Difference to Children Month** — a time dedicated to recognizing that every child deserves a fierce champion, a safe place to learn, and a chance at a bright future.

At the Share & Care Foundation, we believe the ultimate equalizer is education. Through our **Educate 2 Success (E2S)** program, we partner with boots-on-the-ground changemakers to break the generational cycle of poverty.

Turning Dreams Into Doctors

In the remote southern districts of Gujarat, local employment is scarce and systemic poverty runs deep. Together with **Malvi Educational and Charitable Trust (MECT)**, we are actively rewriting that story. MECT runs two **zero-fee institutions** — Shantaba Vidyalaya (for boys) and Roop Kunvarba Kanya Vidyalaya (for girls) — providing vulnerable children with everything from smart classrooms and STEM labs to full residential housing, healthcare, and nutritious meals.

Watch to learn more about our collaboration:

Over the past four years alone, 70 tribal students from this campus have secured admission to medical school — 56 of whom are tribal girls.

Two of those future doctors are Rhea and Rinku:

Ms. Rhea Garasiya

The daughter of humble tribal farmers, Rhea scored an incredible 86% on her exams. Now in the 11th standard, she is studying science and walking the same path as Dr. Piyush — an MECT alumnus from her very own village who became a doctor earlier this year.

Ms. Rinku Diva

After losing her father at an early age, Rinku's mother had to work in others' fields just to survive. Rinku always dreamed of a career in science. Through E2S, she gained access to entrance exam coaching and financial sponsorship, altering the trajectory of her life.

How You Can Make a Difference to Children This Month

While we celebrate these incredible victories, the need in these tribal regions remains vast. Thanks to you, our donors, Share & Care has pledged \$20,000 for the coming school year and set the ambitious yet vital goal of supporting 250+ students. These students will become ambassadors in their communities, showing what's possible when effort meets opportunity.

In honor of National Make a Difference to Children Month, we invite you to engage with these children's journeys by contributing to the Educate 2 Success (E2S) program.

SUPPORT THE E2S PROGRAM TODAY

This July, let's show these children what a community of care can do.

With deep gratitude,
The Share & Care Foundation Team
